

THE CORAL BEACH CLUB

Paget, Bermuda

High on a rocky cliff overlooking the broad, pink beach and the azure waters of the Sargasso Sea, the setting of the Coral Beach Club is one of never-to-be-forgotten beauty.

Dear Eric + Leonard -

This spot is delightful
 even tho' the sun is
 scarce - were both
 playing + playing gay
 enjoyed seeing you both
 last week + your charming
 apt in the City. All too
 short but a change
 of pace. Fondly
 Barbara + Bob -
